

## **Change Over Dates for 2017 NEC Permits**

\* Permits pulled after February 12, 2020 and before May 12, 2020, **can** use the 2017 NEC.

\* Permits pulled after May 12, 2020 **must** use 2017 NEC.

Note that this is the date of the building permit not the electrical application.

Albany filed the Notice of Adoption for the 2020 NYS Uniform Fire Prevention and Building Code and State Energy Code. The Notice will appear in the State Register on February 12, 2020. The effective date for both codes will be May 12, 2020.

Prior to May 12, 2020, the Uniform Code will continue to include the 2015 I-Codes, as amended by the 2017 Uniform Code Supplement.

On and after May 12, 2020, the Uniform Code and Energy Code will include the 2020 NYS Code Books.

The 2017 NEC will be the electrical code.
